Twenty-third Sunday in Ordinary Time

"Which of you wishing to construct a tower does not first sit down and calculate the cost to see if there is enough for its completion? In the same way, anyone of you who does not renounce all his possessions cannot be my disciple." – Lk 14:28, 33

From The Servant's Quarters

> We couldn't ask for a more appropriate gospel to launch us into the fall season for growing in our faith. Jesus is quite direct in describing what it takes to be a "disciple," that is, a learner or student (apprentice?) of his way of life. It may strike us as harsh when he says we need to "turn our backs" on those closest to us. Jesus calls for a whole hearted commitment to him, his perspective, his attitudes and behaviors.

> The irony is that the more we do that, the better

off are our We will grow in possessive, nonnot "smother" will attempt to

closest loved ones. loving them in a nonclingy way. We will our loved ones. We relate to them the

way Jesus relates to us - with unconditional love, demanding nothing in return, but cherishing the unique response of love from each of us.

- > Jesus presents a very countercultural way of loving and living. We can only grow in "His Way" if we take the posture of a disciple, a learner, and hang on to his every word. His living word is transformative. So I hope everyone is able to take advantage of the many opportunities we have this autumn to grow in faith. That could be with the GIFT program, the SOAL program, a special speaker, Bible Study, or participating in the discussion session in preparation for the Archdiocesan Synod next June.
- > We need a few more parishioners to round out our roster of Parish Council Members. Is the Lord inviting you? Please respond.
- > Feel free to participate in our St. James Garden Produce Exchange, using the baskets in the Kitchenette.
- > Are you looking for a beautiful place to live? A two bedroom duplex is available for rent on beautiful Lake Five, Colgate, just 7 miles from St. James. Let me know if you are interested.
- > The Memorial Mass for Jim Plankey will take place in St. James Church Friday, September 13 at 11:00am. Visitation will begin at 10:00am in the

Gathering Space. Please keep Jim and his family in your prayers.

> Our new church activities coordinator pleaded with the congregation for help on a church project. After weeks with few takers, she called our house with this deeply felt, if not, diplomatic, request: "I am scraping the bottom of the barrel for volunteers and wonder if you might be able to help?"

Fr. Mike

ST. JAMES LITURGY INVOLVEMENT INVITING CHILDREN, YOUTH & THEIR FAMILIES

Our community prayer, the liturgy of the Eucharist or the Mass is at the heart of being Catholic Christians. It forms us as children of God and challenges us to live the Gospel. Involvement of your family can only make your experience of worship <u>and</u> that of the parish richer. We need to foster involvement in the liturgy for all ages. Note the many opportunities below.

Acolytes. For Grade 5 and up. Youth are able to help our adult acolytes during Sunday Mass. If your older son or daughter would be interested in this ministry, contact Peggy Troestler (246-9921).

Art & Environment. People are always needed to help prepare our worship space for prayer. You could help design ways to make the space beautiful; do sewing or simply help set up or take down seasonal materials in church which is a great family project! Contact Sue Mangan 262-366-1211.

Eucharistic Ministers. Older teens and adults can help share the Eucharist with God's people. Training is provided to help make this ministry meaningful. Contact Mary Syverson at 246-8834.

Greeters. Your family could become active in the Greeter Ministry. Contact Dee Ooton (246-6115) if you are interested and, if so, how often you can serve the parish in this special way.

Liturgical Dance. All are welcome—call Sue Mangan at 366-1211.

Music Ministers. Do you sing? Do you play an instrument (drums, percussion, guitar, other strings, flute, horn)? Join one of our choirs, who practice on Mondays at 7 pm in church or Wednesdays at 7 pm in church. Contact Barb (253-2225) to find out more or simply show up.

Petition Readers. For Grades 3 and up. To participate as a petition reader, it would be best if your child has a desire to help us pray, is comfortable with reading aloud and projecting their voice with feeling, and can be part of a short practice before the weekend he/she will read. We need parents to help the children during Mass, and adults to become lectors themselves! All interested lectors contact Bob Stolarczyk (246-6505).

Presentation of the Gifts. All families are welcome. Please see an usher 15 minutes prior to Mass. No need to sign up in advance.

Ushers. Youth can help in this ministry with a parent mentor usher to guide them. Consider joining the ushers as a parent/child team! For more information, contact Tom Pinzl at 414-614-0298 or Barb Schuelke at 253-2225.

Safeguarding all God's children

In order to help keep children safe when they come to our parish, we ask that all adults who work with children or teens go through a training session. This session is for adults who act as chaperones, drivers, group leaders, aides in the class room, child care helpers, or any other event where children are involved. We will be hosting two Safeguarding sessions here at St. James on September 18th and 26th in the **Community Center**. Both sessions will begin at 6:30 p.m. Please register for either event at www.archmil.org under the Safeguarding link. If you have questions feel free to contact Sue at devinesimons@archmil.org or 253-2904.

Fields of Hope & Dreams Community Gardens

Last Saturday (i.e. August 31st) we planted our final succession crop in the Field of Dreams garden. The rest of the raised beds will start to empty out over the course of the next month or two as we continue to harvest produce. Volunteers selected seeds that will germinate and come to harvest within 60 days which will bring us to the 1st of November. We will have to stay vigilant for frost from mid October on and maybe have to take precautionary steps like covering some of the beds when frost is predicted. It's sad to start forecasting the end of the season and colder weather, but that's where we're seasonally at.

Tomatoes and peppers are in full harvest due to the heat so we'll continue to see production from our Field of Hope garden. We've had our largest donations to the food pantry these past couple of weeks and will continue to donate our "heavier" produce of tomatoes and peppers for the next two to three weeks as fruit continues to ripen. We'll tally up our overall donations at the end of the season so we can compare donations to previous years. Each year is different with different challenges beyond our control, which continues to make our mission the challenge that it is for our volunteers.

We'll also be meeting to start the planning process for next year, along with our season's end dinner which is always a vegetarian delight with all the fresh fruits and vegetables provided by our volunteers in a pot luck buffet. If any of this sounds interesting or appealing to you, you can join our group of volunteers by calling (414) 587-1202 or email pschneider@wi.rr.com. Thank you for your support of our garden project and for supporting the Cooperating Churches of Sussex's (CCOS) food pantry.

Sussex UMC is having our first BIG outing for youth on Saturday, October 12.

We are going to Fright Fest at Six Flags, Great America. Your congregation is invited to join us in this activity! Please provide the ticket order form and permission slip to any interested persons/families in your congregation. (Remember that we require chaperones in the ratio of 1 to 7 for youth activities - so have enough adults sign up with the youth who want to go). Note deadlines - they cannot be missed!

Please return Ticket order forms with full payment along with the permission slip/waiver forms to the church office no later than Sunday, September 15th.

If you have further questions about the event please email Nicola at annielsen@msn.com.

If you have questions regarding the permissions slip/waiver form please contact the church office. Please note that six flags will not offer ticket refunds, so all ticket sales are final.

A Note from the Parish Nurse, Pam Dennis:

I recently read in the Lake County newspaper about the importance of keeping up with your immunizations. I thought I would highlight in this week's bulletin the shingles vaccination. The shingles vaccination was recommended by the Advisory Committee on Immunization Practices in 2006 to reduce the risk of shingles and its associated pain in people age 60 years and older. The study showed that the vaccination greatly reduced disease in this age group. You may not know but the most recent statistics say that almost 1 out of 3 people in the United States will develop shingles. According to the Center for Disease control (CDC) there are an estimated 1 million cases each year in this country.

What exactly is shingles you may ask? Shingles is a painful localized skin rash often with blisters. It is caused by the varicella zoster virus, the same virus that causes chickenpox. Anyone who had chickenpox can develop shingles because the varicella zoster virus remains in the nerve cells of the body after the chickenpox infection clears. For reasons that are not fully known, the virus can reactivate years later, causing shingles. Children can even contract shingles but it is more commonly seen in men and women 50 years or older. People who have medical conditions that keep the immune systems from working properly, such as certain cancers, human immunodeficiency virus (HIV) and people who receive immunosuppressive drugs, such as steroids or drugs given for transplantation are also at greater risk of getting shingles. Several antiviral medicines such as acyclovir are available to treat shingles. The medicine helps shorten the length and severity of the illness. To be effective, they must be started right away.

Immunization with the shingles vaccination is the best way to practice preventative healthcare. Most insurances will cover the vaccination for adults 55 years old and older. Medicare part D also covers this vaccination. It is less expensive if you get it at a local pharmacy than at the doctor's office. Our local Shopko in Sussex can give you the vaccination. Per the pharmacy manager, it is best to call ahead for a good time to go and get it but it is given on a walk in basis. The estimated time to allow is 30 minutes for getting the vaccination. For more information you can also go onto the Center for Disease Control and Prevention website for more information: www.cdc.gov. or phone them at 800-CDC-INFO.
