“When you are invited by someone to a wedding banquet, do not recline at table in the place of honor. A more distinguished guest than you may have been invited by him.” - Lk 14:8

From The Servant's Quarters

❖ Our Scriptural nourishment this weekend provides us with a number of "wise" statements to chew on! *Be gentle in carrying out your business. You will be better loved than a lavish giver. The greater you are, the more you should behave humbly. You will find favor with the Lord. There is no cure for the proud man's malady. The heart of a sensible man will reflect on parables. An attentive ear is the sage's dream.* (Book of Ecclesiasticus, Jerusalem Bible Translation)

❖ Jesus provides us with many parables to reflect on so we can grow in wisdom. In today's selection from the gospel of Luke, Jesus is invited to a dinner party. The Pharisees are watching him closely. And Jesus is watching the Pharisees closely! He notices how they are jockeying for places of honor at the table. He points out how "unwise" such behavior is! Somebody more important may show up and the one in the place of honor will be embarrassed to move elsewhere!

❖ Humility is a great virtue, but is often misunderstood. Sometimes people will put themselves down and think that is being humble. A great philosopher said, "Humility is truth." We are to affirm and embrace our talents and abilities. But part of the "truth" is acknowledging **where** they come from! The Almighty!

❖ Today's passage goes on to point out God's special care for the poor, the crippled, the lame, the blind. Kindness to those on the margins of society draws us into participating in *Divine* Behavior. The Almighty will bless us amply "at the resurrection of the righteous."

❖ Someone to keep "our eyes" on to discover what this looks like is Pope Francis. We are in the midst of what he has termed a "special year of mercy." Pope Francis provided for a number of refugees to come to Rome for shelter and help. Recently he invited them to a dinner, in direct fulfillment of today's passage from Luke. We can also keep "our eyes" on our parish Human Concerns Committee. They sponsor many initiatives that reach out to those in need. At the heart of their mission is engaging more parishioners in these works of mercy. Have you noticed in the bulletin the regular re-

ports of our parish "tithe" that goes to various charitable organizations?

❖ And speaking of outreach, I'm most grateful for the response to my request for tuition money for the three children in Tanzania we've been supporting these past several years. Since I'm retiring and the children are just about done with their education, this is the final appeal.

❖ "How did you find your steak?" "Oh, I just pushed away my mashed potatoes, and there it was."

❖ Buddhist to hot dog vendor: "Make me one with everything."

Raffle

That looks like a Christmas Tree! A word about the Raffle. We're very grateful to Jon Cline for the donation of two large, mounted pictures of our worship space. One is from last Christmas. The other is from last Easter. We will raffle one off at the end of each Town Hall Meeting. Tickets will be 6 for \$5. We'll put them on display in the gathering space a couple of weeks prior to the meeting. We're hoping for a good turn out for this most important parish event.

Thank you, Fr. Mike

Messages from our PA

- One of the other ways that **secularism's influence** has affected the church and our practice of the faith is the **prominence that has been given to athletics** within our society. How many of us know someone, perhaps family members, whose athletic teams/clubs regularly schedule practices and/or games on Sundays with no thought given to the athlete's spiritual and religious priorities or worship practices? Unfortunately, many coaches demand full commitment with no exceptions, so the athletes and their families face difficult choices. Or how about our local sports religion: the PACKERS! Let's be honest—there have been times when most of us have adjusted our other priorities of church, family and work—around the Packers schedule... In many ways, **sports are a 21st century "golden calf"**. Sadly, for many, God takes a back seat to the psychological ups and downs we experience with our favorite teams.
- Many people have been asking me about my next topic for this Fall's SOAL Series. So here it is: "**Our Call to Holiness: Could YOU Be a Saint?**" I hope many of you are intrigued by the title and will consider attending.
- Last week I put in a "plug" for Gus Lloyd, "Catholic Evangelist". I want to also let people know about one of my favorite Catholic websites to go to for information and inspiration. It's called "**Word on Fire**" and features Bishop Robert Barron of Los Angeles. Check it out at www.wordonfire.org.
- I'm looking for some volunteers to serve as **hosts for Baptism families**. If you are in the habit of regularly attending a particular weekend Mass time, and wouldn't mind taking one Mass a month to provide hospitality to Baptism families as well as assist the celebrant for the sacrament, give me a call. I can provide more information about what's all involved, what kind of time commitment is required and what type of training is necessary. It's a fairly easy and extremely fulfilling ministry!

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

Thank you to everyone who contributed school supplies to Operation Backpack. It was a great success. Your generosity provided much needed supplies to over 130 children in the Sussex area. This will help them get the school year off to a great start. Also, thank you to the volunteers that helped collect, sort and deliver the supplies. We couldn't have done it without you!

Sincerely,
Tracy Wischneski

"Fellowship Weekend"...returns September

9th/10th after all Masses! Please join us for beverages and refreshments in the gathering space and catch up with fellow parishioners. If you are able to provide a treat to share, please drop off items in the kitchen window before Mass. *Hint: Home baked items & cheese/sausage are always a big hit!!

****Our Fellowship Team could use YOUR help.** We are looking to add people to our list of bakers/set up/clean up crew (this is an easy job, especially for a family who is looking to be involved in a simple way, young children make great helpers). You will receive an email reminder the week before Fellowship and then just need to let us know how/when you can help during the weekend. If you'd like to be added to the list, please contact Kim Boho at tboho@wi.rr.com or text/call 262-224-1350. Thanks so much!

Be Strong Stay Strong

A note from Brigitte Glinski, Parish Nurse

August is National Immunization Month. We all know that children have a recommended Immunization Schedule, but what about adults? The CDC does recommend that we keep up with certain boosters as well as receive new vaccinations as we age in order to continue to protect our health. Even if you are healthy, you can become seriously ill and pass certain illnesses to others. Make sure that you are addressing your vaccination needs with your healthcare provider. If you have certain conditions, such as asthma, COPD, diabetes, or heart disease, or other factors, such as age or occupation, you will be recommended certain vaccines.

Vaccination is important because it not only protects the person receiving the vaccine, but also helps to prevent the spread of disease, especially to those that are most vulnerable to serious complications, such as infants and young children, the elderly, and those with weakened immune systems or chronic conditions.

All adults, including pregnant women, should get the influenza (flu) vaccine each year to protect against the seasonal flu. Every adult should have one dose of the Tdap vaccine (tetanus, diphtheria, and pertussis or whooping cough) if they did not get Tdap as a teen, and then get the Td (tetanus and diphtheria) booster vaccine every 10 years. In addition, pregnant women are recommended to get the Tdap vaccine each time they are pregnant, preferably between 27 and 36 weeks. Adults 60 years and older are recommended to receive the shingles vaccine. And adults 65 and older (and certain adults under 65 with high risk health conditions) are recommended to receive one or more pneumococcal vaccines.

Adults may need other vaccines depending on their age, occupation, travel, medical conditions, vaccinations they have already received or other considerations.

RAILINGS WERE INSTALLED BEHIND ALTAR

For those of you who may need to come up to the altar area and find navigating the steps to be difficult, we want you to know there is a ramp behind the choir and railings on both sides in the back.

If you want to take Communion to the homebound, distribute communion, lector, sing in the choir, etc. don't let the steps discourage you. 😊

School is just around the corner and so are Christian

Formation classes...

School starts on September 1, and Christian Formation classes start on September 11 for families in the GIFT program, and September 18/20 for those in the traditional program. If you have a child (ren) in grades 4K-11 and you haven't already enrolled it's not too late. Just a reminder Confirmation typically occurs in 11th grade and prep begins in 10th grade so they need to be enrolled in both years. You may find the forms on the St. James website, simply click on the Christian Formation tab.

Questions?? Call the CF Office at 251-0897.
