Messages from our PA

For the Christmas Masses, there are four sets of readings that the Lectionary has for different Masses on Christmas Eve and Christmas day. I chose to reflect on the Gospel from the first chapter of John, a classic Scripture passage:

“In the beginning was the Word,...the light that shines in the darkness, and the darkness has not overcome it....And the Word became flesh and made his dwelling among us, and we saw his glory, the glory as of the Father’s only Son, full of grace and truth...”

My prayer this Christmas is that all of you and your families will continue to be blessed with the Light of Jesus Christ, that His Light will continue to overcome any darkness that threatens your lives, and that He will touch you with His Grace and Truth and Glory just as He did for the lepers, the lame, the poor, the sinners, and all who seek the healing touch of God. Merry Christmas & Joyful Incarnation!

Gerry Wolf,
Pastoral Associate

Holly Days 2016 Final Update:

We want to thank the parishioners of St. James and the local businesses below for their participation and help in making this year’s Holly Days a big success.

We had so many wonderful items donated that we were able to add a Silent Auction to the event at the last minute. There were numerous comments about the wonderful gift baskets in the raffle, the quality of the boutique items as well as the number of books at the book sale and of course, the wonderful treats in the bakery. This is all possible because of the generosity of you, our parishioners, and our local community partners.

The event this year raised \$6,609.20 for the parish - up more than 20% from last year. If you have any comments regarding this year’s event or would be interested in joining the team to help plan next year’s Holly Day’s event, please contact Denise Walker at dwalker7800@gmail.com.

Thank you,
Holly Days Committee

**Important Information regarding the "St. James Newsletter"**

Beginning with the March-April Newsletter we will no longer be "mailing" out the parish newsletter to all families. The Newsletter will continue to be on the website or a new option is parishioners may sign up at [www.parishesonline.com](http://www.parishesonline.com) to receive notifications and a link when a "new" bulletin or newsletter is available. We will have a limited amount of printed copies available, so if you do not have access to a computer, please call the parish office and we will mail one out to you. There will also be a limited amount of printed copies available in the gathering area.

**A note from Brigitte Glinski, Parish Nurse**

The health ministry here at St. James has many great programs; one service that the ministry provides is a parish nurse. But, what is a parish nurse? The answer is not an easy one; I have many roles that I fill. Parish Nursing began as a specialty practice in the 1980s, but if we look back in history, we see that Parish nursing has been around since biblical times. Pheobe, a deaconess in the early church, opened her home to care for the sick (Romans 16:1-2).

As parish nurse I act as advocate, health counselor, and referral specialist for parishioners, as well as coordinating the Health Ministry volunteers here at St. James. I spend time with parishioners, listening, praying and offering communion. I help them to navigate through the health care system and advocate their needs to their health care practitioners.

Our Health Ministry includes the prayer shawl ministry, blood pressure screenings, card ministry, meal ministry, Elizabeth Ministry and Eucharistic ministers to the sick and homebound. The prayer shawl ministry creates handmade shawls that are given to the sick to feel Jesus' loving arms around them. Blood pressure screenings are offered after Mass once a month as preventative healthcare. The card ministry mails cards to parishioners who need to know that their church family is thinking of them. The meal ministry provides home cooked meals to those in crisis. The Elizabeth ministry is slowly growing, and includes the rosebud program and busy bags for children at Mass, as well as visits to new moms and babies. Our Eucharistic Ministers visit with those who are ill in the hospital or homebound, allowing them to feel Jesus' love as they heal.

If you feel God calling you to share in the joys of any of these ministries or if you know someone who could benefit from any of the services of the health ministry, please call me. My contact information is in the weekly bulletin, phone number: 262-250-2663, or email me at [glinkib@archmil.org](mailto:glinkib@archmil.org). My special thanks to all the Health Ministry volunteers, this ministry would be nothing without you and your gifts. God Bless and have a happy and healthy New Year.

**Laudato Si' "Care for Our Common Home"  
Greening Our Christmas**

In the Judaeo-Christian tradition, the word "creation" has a broader meaning than "nature", for it has to do with God's loving plan in which every creature has its own value and significance. Nature is usually seen as a system which can be studied, understood and controlled, whereas creation can only be understood as a gift from the outstretched hand of the Father of all," [*Laudato Si'*, 76].

"This is the basis of our conviction that, as part of the universe, called into being by one Father, all of us are linked by unseen bonds and together form a kind of universal family, a sublime communion which fills us with a sacred, affectionate and humble respect." [*Laudato Si'*, 89].
