## 24<sup>th</sup> Sunday IN ORDINARY TIME

“Whoever wishes to come after me must deny himself, take up his cross, and follow me.” - Mk 8:34b

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

“Successful stewardship parishes recognize that establishing a stewardship culture does not happen overnight. It takes prayer, planning, commitment and effort. They continue the work of enhancing stewardship because it is the answer to reaching the ultimate goal; a spiritually vibrant, therefore financially secure parish.” Best Practices in a Stewardship Parish, Archdiocese of Milwaukee

Messages from our PA

- This weekend’s passage from Isaiah is a foreshadowing of the trial and persecution that the Messiah will experience in being a living witness of God’s truth and mercy. Jesus himself, in the Gospel, speaks very plainly to his disciples about his own forthcoming rejection, suffering and death. The message is clear. Living as a witness for God will take us through experiences of dying to our selves. We must be prepared to endure through challenges, trials, and even attacks on our faith.
- But there’s another message underlying the warnings. No matter what we go through, God never abandons us. Isaiah’s words ring true: **“He is near...the Lord God is my help.”** Jesus also reminds his disciples not to rely on their own wisdom and willfulness, but to trust in God’s direction: **“You are thinking not as God does, but as human beings do...but whoever loses his life for my sake and that of the gospel will find it.”**
- October is designated by the U.S. Catholic bishops to be **Respect Life** month. Check out the USCCB website for relevant articles, prayers and reflections on the wide spectrum of issues which affect the quality of all our lives, and affect all ages. Contact the St. James Human Concerns committee and find out more about their outreach to those in need and their Human Trafficking ministry. Check out the Catholic Relief Services website to learn about the national and international concerns that the church is addressing in concrete ways. Pray for an end to abortion and that our society and culture will turn from its shallow perspective on sexuality to a healthier, holier view.
- **October is also the month of the Rosary**, with October 7<sup>th</sup> being the Feast of Our Lady of the Rosary. Plan ahead to spend an hour of prayer on Tuesday afternoons, from 4 -5 pm, in the Historic Chapel. Every Tuesday, the last hour of Eucharistic Adoration is spent praying the Scriptural Rosary and the Divine Mercy Chaplet. Or check out the times that the Rosary is prayed on Relevant Radio. Or join the Mom’s Rosary Group that meets some Saturday mornings in the Reconciliation Room. Contact the parish office for more details...
- A signup table will be in the church narthex for the next few weeks with opportunities to join a **Catholic ID (Intentional Disciples)** small group. If you are interested, check out the offerings, and invite a friend to join you. If you’ve already experienced Catholic ID and know someone who would benefit from joining a group, please encourage them to sign up!

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at [wolfg@archmil.org](mailto:wolfg@archmil.org).

**St. James' Weekly Tithes (Outreach)**

Since the 1980's St. James has distributed a portion of its weekly income as a tithe for various outreach programs and organizations. We tithe \$900 twice a month. In September, \$900 will be donated to:

**Repairers of the Breach**—Daytime refuge and resource center for homeless adults. An empowering place where the homeless create community.

**Walkers Point Youth & Family Center**—Serves the needs of runaway, homeless and other youth in crisis and their families through shelter and counseling.

**ST. BEN'S MEAL PROGRAM**

It is time for us to donate food for the St. Ben's Meal Program this coming **Wednesday, September 19th**. St James' role in this ministry is to supplement a meatloaf & mashed potatoes/gravy dinner (supplied by Good Shepherd & St Mary's).

We need parishioners to bring salads, fruits & vegetables of any kind & meat or seafood casseroles/pastas. Desserts are okay but they need to be fresh. There is sufficient bread & rolls already provided. Our efforts either supplement the meatloaf dinner or provide an alternative for the homeless & poor.

You do not have to sign up to be a part of this ministry and can drop your donations off any time between 7:30 am and 3:55 pm at St. James in the **upstairs kitchen**. **Items can be left on the counter or in the refrigerator of the upstairs kitchen any time** before 4:00 pm as our last driver leaves promptly at 4:00. If you have questions or are interested in going down to help serve occasionally, please contact Jeff & Lynn Kenkel at 262-227-9862 or [jkenkel5@gmail.com](mailto:jkenkel5@gmail.com)

**We strongly suggest that you use pans or dishes that can be thrown away if possible.**

**"Scan to pay or give."**

**What is this QR code and why use it?** When you scan this barcode-like QR code image with a smartphone's QR decoder, it will instantly connect you to the mobile version of our web page to conveniently schedule your monthly Stewardship donation(s). To individuals who are familiar with QR codes, it will provide a quick and easy way to access our web page without having to type out a long web address and locate your link.

We would like to express our sympathy to the families of **Norman Bruseth, Clement Stoffel, Daniel Nettesheim & Marion Schemmel**. May they find peace and happiness with our Lord Jesus in heaven.

## A Note from Brigitte Glinski, Parish Nurse

As the opioid epidemic worsens, health care providers are searching for non-opioid options to relieve pain. In a recent study performed at an emergency room, those seeking pain relief from fractures and sprains were given a simple combination of ibuprophen (Advil, Motrin) and acetaminophen (Tylenol). After one to two hours pain levels were assessed, in the end there was no noticeable difference between pain assessments in those give the ibuprophen and acetaminophen combination than in those given an opioid and acetaminophen combination. Less than 20 percent in the study did eventually need a stronger pain medication.

Mayo Clinic, where the study was performed, reports that there are many situations of moderate to severe pain in which ibuprophen and acetaminophen can achieve effective pain control without the risk of opioids. It is noted that long-term misuse of opioids often begins with short-term use for short-term pain.

**WHAT IS HUMAN TRAFFICKING?**

It is the trafficking of human persons purposely for buying and selling them against their will for sex, prostitution, forced marriages, servitude and forced labor.

Human Trafficking is a very profitable industry. A lot is being done to combat this repulsive crime to humanity, but it takes time. If we fail to curb the demand for illegal sex, the supply will always be there and criminals will continue making money!

Drugs also play a huge part in human trafficking, often times a child trafficked will be given drugs to get "hooked", the addicted child will then do "anything" to get their fix.

Statistics show that the younger a child is, the more money a trafficker stands to make. By 20 years old, they are often thought of as too old and "washed up", often left to survive on their own if they are lucky enough to be thrown out on the street alive.

It seems we blink and there is another "Amber Alert", another child missing, what will we do? What is being done? How long before it is a child you know who went missing, or worst yet, your own child?

St. James and Good Shepherd, along with numerous other Faith Organizations, have come together to form a new group called "FCAST", Faith Coalition Against Sex Trafficking. Together we are stronger, creating a plan to educate the communities we are a part of, look for ways to stop the demand, and continue finding ways we can help those trafficked.

There is always room for your help and expertise. Please contact [dwolken@wi.rr.com](mailto:dwolken@wi.rr.com) to get more information or share your stories and ideas. Here's what's coming up along with opportunities for you to learn more about this!

### St. James Community Gardens

Despite the fact that our average first day of frost is quickly approaching, (September 30, give or take a few days), we are busily planting several of our otherwise empty beds. Because the beets are done and the beans and tomato plants are on their last legs, we are busy planting buckwheat.

Now, if you're thinking that we are planning on harvesting and grinding our own buckwheat for flour and pancakes... sorry, you are giving us too much credit.

We're planting buckwheat to use as ground cover and eventually green manure. We intend to let it grow as long as it can, and when it dies out after the frost, we will let it sit and work some of its magic in the soil.

You see, despite what you might think, gardens are not completely resting during the winter. There is a lot going on both microbially and chemically speaking. With that in mind, cover crops such as buckwheat can slow down the natural leaching of nutrients from the soil caused by rain and snow. These crops also discourage winter hardy weeds from taking root, yay. Some cover crops draw nitrogen from the soil and, when left to decay, return the nitrogen to the soil in a way that is readily accessible to the vegetables we want to plant in spring. As you may remember, that a lack of accessible nitrogen stunted the growth of our tomatoes this year. Soil needs to be replenished and by planting the buckwheat we hope to create good conditions for an even better harvest next year.

And so the cycle continues, planting, harvesting, planting, restoring. If we only take without replenishing, we will soon be left with nothing. That's not just the way of the garden, it's the way of the world.
