WEEKEND MASS ON WEBSITE

www.stjames-parish.com

We now video **only** the 4:30 Mass on Saturday each weekend, rather than both parishes on Saturday & on Sunday.

This will be done in rotation with Good Shepherd. This way Mass will be available first thing on Sunday morning for those who are not ready to come back quite yet. This weekend's recording will be St. James' 4:30 Mass.

I would like to thank Father Dennis & Deacon Sandy for officiating at the wonderful send-off for our beloved, husband, father and Grandfather, **James G. Newbauer**.

A special thank you to our wonderful music director, Barb Schuelke, who played “Till We Meet Again” and shared a memory of Jim. A very special personal touch.

Andria Newbauer
and the Newbauer Children.

Income for the weekend of July 11/12:

Stewardship (Daily Operating)	\$ 21,424.00

Parish Trustee – Secretary

One of the blessings in our parish has been the continued support and willingness of parishioners to serve as parish trustees. We are very grateful to Ray Gross for having served in this capacity. Ray, you are much appreciated! Thank you!

With Ray’s two-year term coming to a close, the position of Trustee-Secretary is now open. Trustees must be parish members, practicing Catholics, and at least 25 years old. Interested parishioners may place their name on the ballot by securing 10 signatures from registered parishioners. This year’s nomination process will be electronic. Nomination forms are available by emailing Pastoral Council Chair, Terry Brecklin at: tbrecklin@gmail.com.

As allowed by the archdiocese, the Parish Director may select one nominee. If there is more than one nominee, elections will take place the weekend of August 1 and 2, 2020. If there is only one nominee, nominations are closed, and the nominee declared elected to the position.

All nomination forms must be received via email by 12:00 Noon on Wednesday, July 29, 2020.

A Note from Prayer & Worship and St. James’ Seasonal Planners

(Joan Mary, Jessica, Peggy, Bob, Chuck, Adam, Gabe, Marge, and Jean)

All you need is a smile and a willingness to help!

We are now entering the fifth month of this most peculiar time in our lives! There is no precedence to look to and a very uncertain future. But we are people of faith and hope. We know God is journeying with us. He will never leave us orphaned . . .

While we know that we will have Mass, it is clear that many are not comfortable returning. But, about 200 people have returned to celebrate our God in the flesh of our community. So our parish family is in need of servants beyond those who gather. Please consider **“helping”**.

- **Greeters/Ushers**— Those who welcome and seat folks with a smile.
- **Acolytes**— Folks who help Father at the altar.
- **Lectors**— Folks willing to proclaim God’s Word to all
- **Distributors**—Folks willing to give communion and serve as followers.

May we all recognize the importance of helping each other at Mass in new and different ways, particularly at this time in our lives.

Please email Diana at wyszkowskid@archmil.org or call 262-613-9330.

And let us know that you indeed are willing “to help”.

St. James is here to help all people experience meaning and purpose in life.

What's not to like about walking? It's free. It's easy to do and it's easy on the joints. And there's no question that walking is good for you. In addition to being an easy aerobic exercise, walking is good for you in many other ways.

Walking helps you:

- Improve circulation
- Enjoy a longer life
- Improve bone health
- Lighten your mood
- Lose weight
- Strengthen muscles
- Support your joints
- Improve your breath
- Slow down mental decline
- Lower Alzheimer's risk
- Do more for longer

So lace up those walking shoes and get moving!

Bleed for Bots Blood Drive

IMMEDIATE NEED FOR BLOOD DONORS!

Hamilton Sussex High School Team 537 Charger Robotics has partnered with Versiti, Blood Center of Wisconsin to host a community blood drive to assist the blood shortage crisis. Versiti, Blood Center of Wisconsin is declaring an **EMERGENCY APPEAL for blood donations.**

The unprecedented shift in the environment has created the "perfect storm" resulting in a national blood shortage, which is impacted our local community. The blood shortage means we are currently unable to provide our hospital partners with the usual supply of blood products. Patient lives could be at risk, particularly if trauma situations occur, if we are not able to maintain an adequate blood supply. Come support your local robotics team this July!

Save a life by registering today: Call 877-232-4376 or register online at <https://bit.ly/roboticsjuly2020>
