### *A Summer Prayer for Families*

*May we make our homes places of relaxation, joy, love, peace and safety.*

*May we be generous and considerate, not thinking only about ourselves, but helping others enjoy the blessings of the summertime.*

*Lord God, Creator of all things, guide our steps and strengthen our hearts during these months of summer and vacation days. Grant us refreshment of mind and body.*

*May we constantly strive to make a meaningful difference in the lives of our loved ones and in the world around us as we enjoy the warm days of summertime.*

*Amen.*

## Please help us find what is lost

A rosary in a leather case was left after Sunday Mass two weekends ago. The rosary has crystal beads. The rosary and case hold great sentimental value.

A black London Fog coat with silver toggle buttons.

Please bring to the parish office if you find either of these items. Thank you!

**Everyday Stewardship Reflection**

I have coached all three of my children in soccer at some time in their lives. I loved teaching them and their teammates the importance of functioning as one unit. If we were not all moving together toward victory, we would all find ourselves together in defeat. We used to go through one drill I called the "human foosball." We would scrimmage with players in lines like on a foosball table. If you ever got too far behind or too far ahead of those in your line, play would stop and the ball would go to the other team. The goal was to help build an awareness of where your teammates were on the pitch and to teach the lesson that no one player is a team onto themselves.

As disciples and stewards, we sometimes find ourselves far behind or maybe even too far ahead. As a consequence, our actions either hinder the ability of the Body of Christ to evangelize and pass on the faith to a new generation or present the Church as an entity that sees itself as judgmental or too holy to be in the world. We are called to community, and in that community, we must be aware of our brothers and sisters in the faith. At times, we need to help them grow in their faith. Other times, we need to slow down and realize that we cannot change the world on our own. We all have unique gifts we are called to share, and we can only bear true witness to the power of the Body of Christ when we are all moving together and making each other strong.
